Line Chart

Mapping ready

The chart displays 'Secondary engineering units' on the y-axis (ranging from -5 to 8) against 'Observation time' on the x-axis (from 2026-01-01 to 2026-01-04). A blue shaded 'Reference band' is present between approximately 1 and 5.5. A dashed orange line at y=4 is labeled 'Target 4'. A vertical dashed line at 2026-01-01 20:40 is labeled 'Observed shift'. Data points for 12 runs are plotted, showing a general upward trend with some fluctuations.
