

Executive Statement

Retention improved for a second quarter, but the public sector renewal gap still threatens FY26 expansion.

Quarterly context

FY26 Q1–Q4 close · enterprise and public sector portfolios · constant-currency bookings · renewal cohort excludes acquired accounts.

Constant-currency bookings

Quarterly retention

Bookings by quarter

Portfolio	Renewals	Rate	Evidence / risk
Enterprise North	1842	94.1%	Above 91% guardrail; stable cohort
Public Sector West	684	84.7%	Two contracts delayed; budget gated
Strategic Accounts	213	92.9%	FY26 Q4 close; largest renewals drive bookings

Risk Callout

Hold public-sector expansion until the renewal gate clears

Two delayed procurement cycles remain unsigned. Keep the current enterprise plan and review those contracts at the next finance checkpoint.

Key Takeaway

Next step: keep the enterprise hiring plan, but release the public-sector expansion budget only after the named renewals are signed.
